BEAUTYWITHIN NEWSLETTER APRIL 2010

Dear Friends,

Here's wishing you a happy celebration of Easter. It is a special one this year, as all schools throughout the country are having their holidays at the same time, enabling whole families of cousins to spend quality time together. I think Easter is special for all sorts of reasons. The public holidays give us time to reflect on family togetherness & all things chocolate! The shops are filled with the smell of spicy hot-crossed buns, & the sights of beautiful wrapped eggs, depicting new life, waiting to be chosen for the trails of treasure hunts that will delight the young ones over the Easter weekend.

Nature is celebrating in its own way. Just as the streets are starting to fade & drop their leaves, the roadside on the fringes of our town are a delight to the eye, in colours of pink, white & purple cosmos, that look like a haze of butterflies. They truly are cheerful flowers. Here in our Highveld, I would say the colour of Easter is there in the pinks, whites and purples of our cosmos. Pink for the flush of blessings, white for the lamb, & purple for royalty.

Our special price-cut offer last month brought many surprises into our salon in the form of clients we had not seen for a long time. It made us happy! We want to be happy again, & to make you, our valued clients, happy as well, **we will offer price-cuts again this month. Pedicures & Manicures will be R100 each for the month of April.** We will even discount our luxury facials. These facials include brow waxing & hair treatment with scalp massage. Environ facials will be R200, Sh'zen will be R220 & Dermalogica R250, the latter facial would cost you R350 or more anywhere else in Benoni, so this is a generous offer from us. Oh yes, we will also give you half price on all waxing this month, as an extra Easter special.

Something that was special to us at Beautywithin was our charity outreach to the 12-16 year olds from the Actonville Training Centre for the disabled. Lele & Anna gave them a short training session on our beauty treatments, manicures & pedicures. The children were all so well-behaved, & they loved the outing. Thank you Lele & Anna.

Two of our staff will be going on maternity leave. Claudene, our receptionist, left us on the 31st March for 5 months, & Margaret our Nail Technician will be going on Maternity leave on the 30th June. Margaret will only be away for 2 months and will probably work on Fridays & Saturdays during July & August if all goes well with the baby. We had good fun organising a surprise 'Baby Shower' party, for both Claudene & Margaret in March, where they received lovely gifts.

In Claudene's absence we welcome Vinisha Ganas to help us with Reception. Vinisha is young and confident and has caught on really fast to our front desk procedures.

Margaret our Nail technician, also specialises in natural hair extensions using micro rings instead of heat & glue, so there is no damage to the hair. With regular touch ups, the extensions can be worn for a year, & you can treat them in the same way as your natural hair with colour treatments, flattening irons. Our therapist, Jenny, recently had hers done & has gone from spiky short hair, to long beautiful natural looking hair.

Another service we are now confident in offering, is our new permanent make-up range. I, Cindy, have completed my training & have purchased my own kit. My clients are happy with their results & can testify to the fact that it is a painless procedure, thanks to the two different anaesthetics that are used in this

paramedical procedure. We use a needling technique, with ink that does not go into the bloodstream. The make-up should last for about ten years. Please direct all queries to me.

Cosmetic

Eyeliner Combo (top and bottom liner)	R1000
Liner top OR bottom	R 600

Areola Re-pigmentation and Scar reduction	R1200 each

As we are constantly endeavouring to raise the standard & scope of our Beautywithin salon, we are looking into offering Botox treatments in the future. We'll keep you updated on this.

We are also working on encouraging our therapists, so we have instigated a 'Therapist of the Month' award & reward. So when you see Sarah wearing 'the badge' for the month of April, know that it is in recognition of her dedication and enthusiasm to please her clients. She works from her heart, & gives beautiful pedicures. Her back massages are extremely popular & she applies just the right amount of pressure. Thank you Sarah, for your hard work & commitment.

Please ensure that you book our specials for this shortened month. You may purchase Gift vouchers for our specials and use them the following month. Attached you will find our **WINTER WARMER PACKAGE**, which will come into effect from the 1st of April. We have your interests at heart & want to see you more often, to keep the tempo & vibrancy of Beautywithin at an exciting buzz.

Now may all of you be blessed this April with family, friends, a fresh outlook on life, & something to hope for in the new life that Easter celebrates.

God bless & keep smiling till next time
Cindy & Lee & all at Beautywithin
